

# Speaking Engagements

## Elevate your event with impactful Pharma leadership keynotes.

In a fast-evolving life sciences landscape, the right keynote speaker can do more than inform your event audience – they can energise, align, and inspire.

“What a joy it was to work with Five&Co. They provided exactly what we were looking for: interesting interactive sessions and a creative approach to thinking through individual and team development. I was both inspired and challenged.”

Whether you're hosting a commercial summit, leadership retreat, or cross-functional event, Five&Co. bring practical insights, compelling stories, and proven strategies that resonate with life sciences professionals at every level.

### Our Offer

Our keynote speakers are leadership experts who understand the real-world challenges of leading in pharma such as:

- Navigating Organisational Silos
- Leading Through Regulatory Uncertainty
- Managing Hybrid Teams
- Driving Innovation in Risk-Averse Cultures
- Effective Collaboration in Pharma
- The 21<sup>st</sup> Century Leader
- Leading the Generations in the Modern Workplace
- Overcoming Adversity

**Let's explore how we can help you thrive**
